SCREEN

Essential and Stronger

Progress beyond

Our SolvaLite™ composites are up to 40% lighter than metal, allowing manufacturers to create lighter and more energy-efficient vehicles that contribute to reducing CO₂ emissions

Our reliability, experience, and innovations contribute to better and safer healthcare worldwide

Progress beyond

PHARMACEUTICAL INGREDIENTS

Our best-in-class chemicals are advancing a wide variety of pharmaceutical, medical and life science applications

Let's feed the world with healthier, safer and tastier products

We develop innovative Vanilla flavours and formulations enabling food professionals to reduce sugar contents without compromising on taste
